a) In the event of cancellation, the Customer shall receive a voucher valid for 6 months that he/she can use for a subsequent purchase of the same service on adr.it/easyparking. The code is non-refundable and non-convertible for cash and can only be used for one purchase, and if the stop is of a lower amount, the difference cannot be refunded.

In the event of changes to the stop or use of the voucher for shorter stops than the one purchased, the difference will not be refunded. If the change generates a higher price than that already paid, payment of the price difference is due. If the purchased parking space is changed, it will be impossible to change the previously chosen parking space and payment method.

2.6. For the modification and/or cancellation of online bookings and purchases made on the sites of third parties (airlines, business partners, parking aggregators, etc.), please refer to the Terms of Sale of the partner on whose site you made the purchase.

2.7. To enquire about the parking service, you can send an email to easyparking@adrmobility.it indicating the service required, contact details of a contact person, date of booking, departure flight.

3 Fast track

3.1. The purchase of the Fast Track service allows rapid access to security checks via the so-called 'Fast Track' gates indicated in the Purchase Confirmation email. The Fast Track service can be used by the date indicated in the documents sent with the Purchase Confirmation email.

3.2. Fast Track gates currently exist at Fiumicino and Ciampino and are managed by Aeroporti di Roma S.p.A.

3.3. ADR Mobility will not be liable in the event of a missed flight due to late arrival at the boarding gate, nor will it be responsible if the passenger is refused access to the boarding area due to non-compliance with airport security regulations regarding hand baggage.

3.4. ADR Mobility will not be liable for any inconvenience to passengers resulting from a high number of Fast Track users.

3.5. The date of use of Fast Track can be changed by sending a request by email to easy parking@adrmobility.it only in the case of prepaid purchase of the individual service on the adr.it/easyparking website or in combination with parking.

Alternatively, in the event of non-use of the service by the Customer, this may be refunded by exercising the right of withdrawal.

Withdrawal is only possible for the Fast Track service and not for parking. Withdrawal must be exercised by registered letter addressed to ADR Mobility - via Pier Paolo Racchetti 1, 00054 Rome within 14 days of the conclusion of the Contract (Art. 52 et seq. of the Consumer Code), which coincides with the date of purchase of the service. ADR Mobility will make the refund of the amount paid within thirty days from the date of receipt of the registered letter.

4. Fees - Methods of Payment - Invoicing

4.1. The price of the services shall be inclusive of VAT, except as specified below. In fact, in the event the services are rendered in favour of customers liable to VAT who are not resident in Italy (both EU and non-EU taxpayers), there is no VAT liability due to the absence of the territorial prerequisite (pursuant to Article 7-ter of Presidential Decree No. 633/72), the price itself remaining unchanged, which in that case will be net of the VAT not due.

4.2. There are no additional costs other than those shown at the time of purchase, except for any bank or postal charges.

4.3 Any payment by the Customer may only be made by means of credit cards of the American Express, Visa, Mastercard, Diners and Maestro circuits.

4.4. Certain data relating to the order number, the amount to be paid and the payment, which are necessary for the purchase of the service requested, shall be exchanged between ADR Mobility and the Banking Institute on special protected lines and with all the guarantees provided by the use of the security protocols provided by the payment circuits.

ADR Mobility does not come into possession of the data and number of the credit card used in the purchase, as this information will be processed exclusively by the Bank.

4.5. The fee for the service rendered will always be invoiced in the case of Fast Track purchases. In contrast, for parking purchases, the invoice will only be issued by ADR Mobility if requested during the booking process. To this end, when purchasing online, the Customer must compulsorily complete the sections relating to his or her personal and tax data, which will be stored in the system for subsequent purchases. Upon finalisation of the payment transaction, ADR Mobility will send the invoice for the purchased service by email to the declared address.

5. Cancellation and Modification of Parking Purchase

5.1. Once the Customer receives the Purchase Confirmation for the parking service, he/she may request its cancellation under Art. 2.5 of these General Terms and Conditions.
