Error inserting credentials

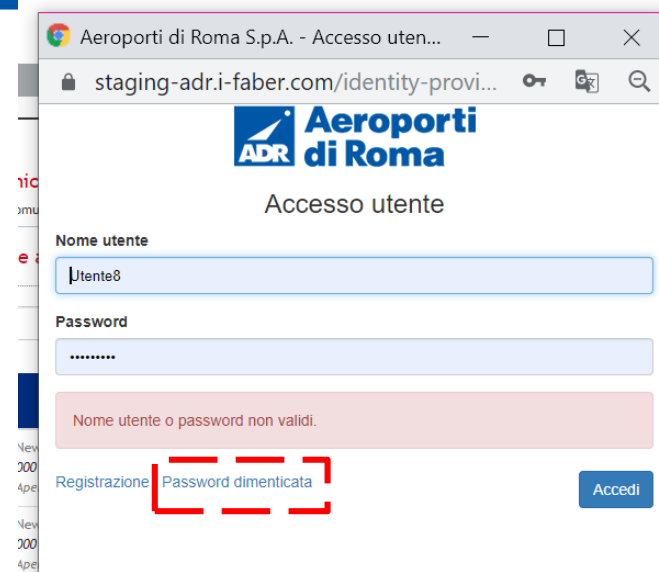

The screenshot shows the login page for 'Aeroporti di Roma'. The title is 'Accesso utente'. There are two input fields: 'Nome utente' with the value 'Utente8' and 'Password' with masked characters. Below the password field, a red dashed box highlights a red error message: 'Nome utente o password non validi.' At the bottom, there are links for 'Registrazione' and 'Password dimenticata', and an 'Accedi' button.

In the case of an unsuccessful entry, the platform will display an error message:

"Incorrect Username or Password"

"Forgot" Password

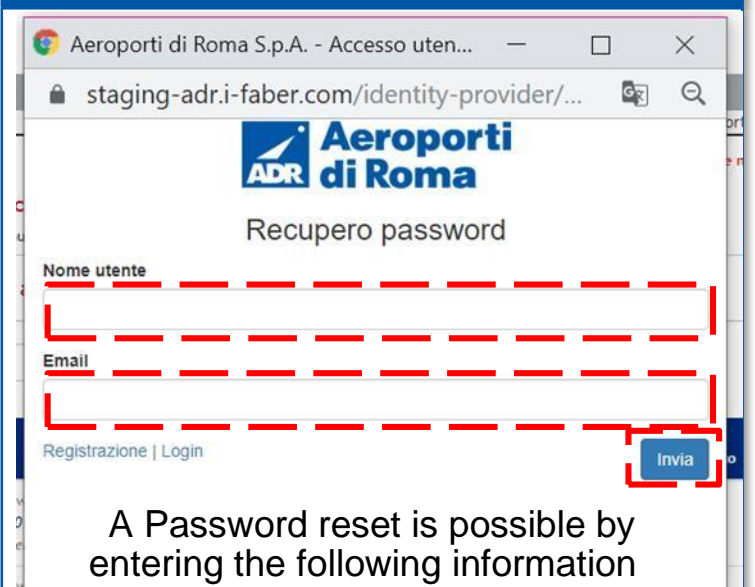

The screenshot shows the same login page. A red dashed box highlights the 'Password dimenticata' link at the bottom of the page.

You can change your Password
By clicking the following option:

"Forgot Password"

Request a Password reset

The screenshot shows the password reset request page. The title is 'Recupero password'. There are two input fields: 'Nome utente' and 'Email', both highlighted with red dashed boxes. Below the 'Email' field, there is a link for 'Registrazione | Login' and an 'Invia' button.

A Password reset is possible by entering the following information

- **Username:** The E-mail used to access the previous portal
- **E-mail:** The E-mail address used to access the previous portal

Click **"Send"** to receive an E-mail containing the **'Password reset'** link and instructions for changing your password
